

Community Information Directory

To provide the residents of Wingecarribee Shire with more user friendly and comprehensive access to Community Information, Wingecarribee Public Library maintains an Online Community Information Directory through LINCS (Local Information Network for Community Services).

The directory can be searched on Wingecarribee Public Library's website by clicking on Quick Access/Community Directory or by copying and pasting the following link into your browser <http://www.datadiction.com.au/bin/dd.dll/Lincs?xps&MBR=WGCB> .

Members of LINCS include most Metropolitan Public Libraries, increasing numbers of Country Public Libraries and prominent health and government information groups. As a member of the LINCS Network, our new Directory will provide access to information about local community groups and services, and also to a whole range of government and health services outside the Wingecarribee Shire.

If you would like your organisation to be included in our directory please complete the included Community Directory Update Form and mail or fax to Wingecarribee Public Library.

If you have any questions regarding this matter please do not hesitate to contact me.
