

Privacy Policy

Sector Connect is dedicated to keeping your details private. Any information, we collect in relation to you, is kept strictly secured. We do not pass on/sell/swap any of your personal details with anyone. We use this information to identify you. Whenever you use our web site, or any other web site, the computer on which the web pages are stored (the Web Server) needs to know the network address of your computer so that it can send the requested web pages to your Internet browser. The unique network address of your computer is called its IP address and is sent automatically each time you access any Internet site. From a computer's IP address it is possible to determine the general geographic location of the computer, but otherwise it is anonymous. We do not keep a record of the IP addresses from which users access our site except where you have specifically provided us with information about yourself, in which case we also record your IP address for security purposes. An example of this would be when proceeding to checkout to finalise an order you may wish to make. After completing the form provided, your IP address will be stored along with a transaction number that allows us to track your order.
