

# “Managing Challenging Behaviours Collaboratively”

2 day workshop with Dr Steven Walker, Brief Therapy Solutions

**This frequently requested two day workshop** explores the nature of challenging behaviours including ADHD, Oppositional Defiant Disorder and Conduct Disorder in children and adolescents. Participants will have the opportunity to consider child development, parenting styles, child temperament and social influences that impact upon and maintain problem behaviours.

***Participants will explore:***

Impacts on child development that include attachment problems, mental health, genetics, domestic violence and substance use on child behaviour

The impact of parenting styles on a child’s long term coping capacity

The emergence and escalation of child social and emotional deficits and the relationship to behaviour disorders

The nature of and definition of child disruptive behaviour disorders

Strategies to reduce the impact of and teach new skills to family’s experiencing challenging behaviours

***Cost: Please contact Sector Connect about current fees***

Please note that to run this 2 day workshop there MUST be a minimum of 15 participants registered.

A late cancellation fee applies and will vary between 7, 14 and 21 days notice

Training notes, lunch, and refreshments included

Rates may vary if catering and venue hire is organised by the purchasing agency.

Please call Jane McIvor at Sector Connect on 4648 5933 for further information.

Cheques made payable to Sector Connect, PO Box 3477, Narellan 2567
