

Steps for TEI service providers

Congratulations on your decision to take up the TEI Outcomes Framework.

If you need individualised support, here's what to do.

Submit a simple **request form*** to teiasist@ncoss.org.au.
NCOSS will advise you of support options.

A support agency will contact you and work with you to develop a **Support Plan** that outlines a goal (or goals) for both of you to work on within a specific time frame.

At the end of support, provide **feedback**** to NCOSS, and advise your FACS District of any outcome or action point.

**Each request will be reviewed and prioritised.*

***A simple feedback form is available.
Your feedback is also welcome at any point in the process.*
